

AIRSTREAM™

2026 Interstate 19X LE Outland Edition

Hit the road to adventure with the all-new Interstate 19X LE Outland Edition. Built for getting closer than ever to the action, the Outland Edition boasts 18-inch wheels, an upgraded suspension with 2-inch lift and fully adjustable shocks, plus powerful LED lighting to help navigate challenging terrain. Expand the exterior living space with a massive 270-degree awning that wraps around the vehicle's curbside and rear. Sleep under the stars with a versatile bed system that slides out the back doors – or removes completely for greater gear storage. And because great adventures look and sound great too, integrated accent lighting and a premium audio system adds style for miles.

INTERSTATE X

Product Highlights

Towing Capacity

With up to 5,000 pounds of towing capacity, you can bring along motorcycles, a side-by-side, or even an Airstream Basecamp Travel Trailer.

Closer to the Action

Rugged design features, like the upgraded suspension and larger tires, give the Outland Edition a bold stance and improved ground clearance. Paired with the powerful Mercedes-Benz® 2.0L turbo diesel engine, it takes you farther than ever before.

Product Highlights

Bed Features

The lofted bed system in the Outland Edition features a versatile design for a variety of uses. Sleep inside or slide it out the rear doors and sleep under the stars. Move it forward to make room for gear or completely remove it to maximize floor-to-ceiling room for bikes, adventure gear, or living space

Storage Capacity

The best adventures require great gear. That's why the Outland Edition features ample storage throughout. From cabinets and overhead lockers to an L-track storage system you can customize for your own setup, you'll have more than enough space to bring along everything your adventure requires.

Product Highlights

Style

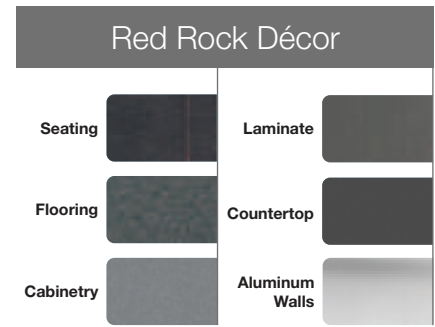

Your epic adventure will look great too, with customizable LED undercarriage lighting that helps you set the mood and create ambiance no matter where you set up camp. An optional metallic vinyl rivet wrap lets you lean into classic Airstream style.

Cooking

There's nothing like cooking outdoors. That's why we equipped the Outland Edition with features like a removable outdoor table and a stowable induction cooktop that can be used in the galley or outside. Plus, the versatile Dometic fridge is accessible from inside or outside – it can even be removed and brought along on the day's adventures.
