BEL RCA COOKCENTRE 110DF

Summary

Product Type

110cm Dual Fuel Range Cooker

Short Product Description

110cm Dual fuel range cooker with a 7 burner gas hob, fanned main oven, conventional second oven, separate grill, and storage compartment

Long Product description

Belling range cookers have been at the heart of UK homes for more than a century, and they'll be there for you for many years to come.

At 110cm wide, this is the biggest model in the Cookcentre Dual Fuel series – with a sleek finish for a modern, contemporary look.

Within its larger frame, there's 157 litres of cooking capacity and a host of features designed to make cooking simple. You can choose between two electric ovens: a conventional electric second oven, and the fanned main electric oven with a variety of different functions. This includes the AirFry function and tray, which puts all the time-saving benefits of this appliance back into your oven (freeing up space on your countertop.)

As a dual fuel model, this Cookcentre also combines the reliability of electric ovens with the control of a gas hob. There are seven burners in different sizes for all kinds of pans, including a powerful 4KW wok burner designed for dishes that need an intense blast of heat.

You can rely on this Belling Range Cooker to help you make more memories around the dinner table.

Range Overview

With its contemporary looks, all the size and a stylish choice of finishes, the Cookcentre Collection has turned out beautifully. The result is a perfectly engineered cooker, that'll help you turn out the perfect meal every time.

Key Product Benefits

Feature 1

2 Ovens plus separate grill with 199L Total Capacity

Feature 2

7 Burner gas hob including a powerful 4KW wok burner

Feature 3

Fanned main electric oven with clever features including AirFry

Feature 4

Conventional electric second oven

Feature 5

AirFry function & Tray

Feature 6

Make cleaning easier with Easy-Clean enamel

Feature 7

Separate variable electric grill

Feature 8

Cast iron elevated Pansure Supports

Feature 9

Maxi-Clock Programmer

Feature 10

Slow Cook Function
