

3 x 18650 Lithium Battery Charger Board/Module 12V with Charge Protect

Quick Start Wiring Guide

Model: LBB-3v2

1. 12 VDC Power Output
2. 12 VDC Power Output
3. 12 VDC Power Output
4. Battery Status Button
5. Optional External LED Battery Status and Push Button
6. Optional External LED Charge Done Indicator
7. Optional External LED Power Input Indicator
8. Expansion Voltage In/Out Port for Optional 325-140 External Power/Charging Board
9. 5 to 24 VDC Input
10. 5 to 24 VDC Input
11. 19V Solar Input
