FEATURES

- **Massive Sound:** A 100W dynamic Texas Instruments power amplifier delivers massive sound while 3 digital equalizer settings allows for the perfect sound for your favorite outside adventure or inside your home.
- **3 EQ Settings:** Customize the sound for any environment with an indoor, outdoor, and a favorite mode.
- **Waterproof & Dustproof:** IP67 rated waterproof and dustproof. Can withstand full submersion up to 1m for 30 minutes and it floats.
- **2-Way Speaker System:** 6"x9" full-range polypropylene carbon main driver with a 1.7" titanium tweeter, for balanced, quality acoustics you won't find on ordinary portable speakers.
- **Bluetooth 5.1:** Bluetooth 5.1 wireless connectivity lets you pair your compatible device for wireless audio streaming up to 100' away from your phone, can also connect two devices at once.
- **EcoCast:** Link up to 100 ECOXGEAR and SoundExtreme products together (up to 30ft between each speaker).
- **3.5mm Aux Input:** Connect wired media devices.
- **Integrated Microphone:** Voice calls speakerphone capabilities, Siri/Google voice assistant support
- **External Microphone Input (not included):** PA system function with 3 EQ effects to optimize your voice
- **Addressable LED Lights & Flashlight:** Controllable via the speaker's keypad and SOUNDEXTREME app for parties. Google Play and Apple
- **5V 2.1A USB-C Port:** Charge your devices, including iPhone 15 models.

- **Backlit Buttons, Dual Handles & Strap Points:** Easy portability.
- **25+ Hour Playtime (6+ hours at Max Volume):** Built-in rechargeable battery: 79.96Wh @ 14.8 Volts, 5400 mA
- **AC Power Option:** Plug into AC Power to charge the batteries, unit will play while charging
- **Charge on-the-go with the Defender 12V:** With the included SAE-DC Adaptor Cable and an optional Cigarette Lighter Power Cable or optional SoundExtreme 2.4m Power Cable connect to any 12V DC source in your car, truck or campervan.
