## Product Overview

The Green Lion Ibiza 20000mAh Power Bank offers fast, efficient, and simultaneous charging for your devices. With a sleek, premium finish, this power bank features a 45W PD fast-charging capability and a USB-C port for versatile use. Its flame-retardant PC build ensures durability, while the real-time colorful display provides instant battery status. Designed with convenience in mind, it comes with braided USB-C and Lightning cables, a cable strap for easy storage, and is flight-approved for worry-free travel. With the ability to charge multiple devices simultaneously, the Ibiza Power Bank is the smart choice for those who need reliable power on the go.

## Specifications

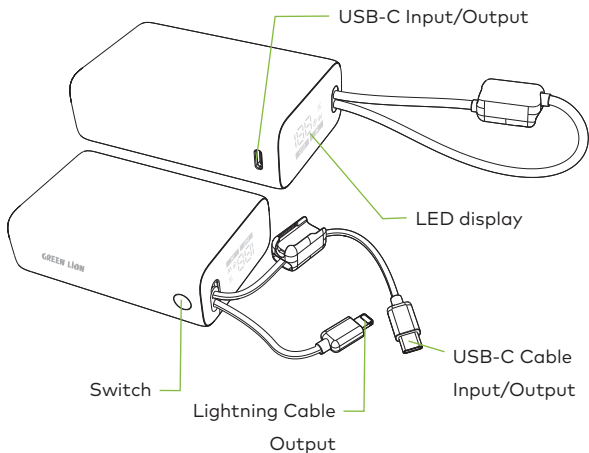

Model No.	GL-PXA5
Material	PC + ABS
Battery Capacity	20000mAh, 3.85V/77Wh
USB-C Port Input	5V/3A, 9V/3A, 12V/2.5A, 15V/2A, 20V/1.5A (PD30W)
USB-C Cable Input	5V/3A, 9V/3A, 12V/2.5A, 15V/2A, 20V/1.5A (PD30W)
USB-C Port Output	5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/2.25A (PD45W)
USB-C Cable Output	5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/2.25A (PD45W)

Lightning Cable Output	5V/2.4A (12W Max)
Total Output	5V/3A (15W Max)
USB-C Cable Length	17 cm
Lightning Cable Length	10 cm
Product Weight	318 g
Product Dimensions	32.5*63*97 mm

## Product Features

- a.** The product uses well-known, high-quality chips, ensuring more efficient and safer charging.
- b.** It is built with a high-quality, optimized battery that offers reliable performance, longer service life, and safe charging and discharging.
- c.** The compact design makes it easy to carry and use.
- d.** Equipped with both USB-C and Lightning cables, it features stronger, durable materials. The Lightning cable supports 12W discharge, while the USB-C cable enables a maximum PD45W discharge, ensuring fast charging for iPhone 15-17 series and all Android phones.
- e.** The built-in USB-C cable also supports fast charge input, allowing you to charge directly via a wall charger.
- f.** The product showcases an innovative design with high-quality materials, manufactured under strict quality control to provide consumers with a reliable and well-crafted product.

## Product Components

## Power Indicators

100% Power

0% Power

The LCD display will show the battery level from 100% to 0%. When the display shows 0%, it means the power is low and the device should be recharged.

## Safety Guidelines

1. If this device is not used for a long period, charge it at least once every 3 months.
2. Slight heat during charging is normal, as long as it remains below 55°C.
3. Keep the device dry at all times and avoid cleaning it with chemical agents.
4. Recycle this device at designated recycling locations.
5. Children should use this device only under adult supervision.
6. Do not drop, disassemble, puncture, or expose the device to humid conditions.
7. Avoid using the device to charge incompatible devices, as this may cause fire or other issues.
8. If the battery is not replaced properly, there is a risk of explosion. Only the same type or an equivalent battery should be used, and it must be replaced by qualified maintenance personnel, not ordinary users.
9. The battery should not be exposed to conditions such as sunlight, fire, or excessive heat.
10. If you're using a power adapter to charge, ensure it has obtained CCC certification and meets the required standards.
11. When the product is in use, it should be placed on a flat surface. If it comes into contact with the human body, the contact time should not exceed 10 seconds.
12. Do not use the product after it has been submerged in water.

## Troubleshooting

**1. Problem:** When the power bank is not charging.

**Solution:** Please make sure that the cable, charger, or adapter is

functioning properly. If not, use compatible components to charge it.

**2. Problem:** When the power bank fails to charge other devices.

**Solution:** Ensure the power is turned on and there is enough charge remaining in this device. If everything seems fine and the issue persists, please visit a local service center for assistance.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.greenlion.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.

For more info, please check:
