class

H55 Series HDTV

Model #40H5509

Model: 40H5509

1080P Full HDTV

I'M SMART

My great features and amazing level of detail makes me perfect for fast action sports. The smooth motion on the Hisense H5509 series HD Smart TV gives you stunning picture quality that will make you popular with your friends, while watching premium content from YouTube or Netflix. Use your mobile device to share your vacation photos to the TV, or download apps from the VIDAA Store. Basically, do way more than you ever thought you could.

MASTER
PRO

MASTER PRO VIDEO ENGINE

Master Pro represents the overall performance of the TV processing platform, which is the brain of Hisense Full HD or HDTVs. It elevates picture quality through a combination of sophisticated technologies for richer colour, more vivid contrast and clear motion picture.

MOTION RATE - MR120

Blinked and you missed it? Think again. The H5 is built with motion in mind. Motion Rate image processing makes it so you can keep your eye on the ball, chase scene, or multi-player battle. Gamers see lag times drop and viewers see all the key moments in live sports or action movies. Captivating scenes grab your attention – and keep it with smooth motion.

VIDAA

VIDAA U

VIDAA U is more than just a user interface, it's the new operating system for Hisense Smart TVs. Originally designed in Canada, it's fully-optimized for each one of our televisions. It's simple, fast and customizable. What more could you ask for?

USB MEDIA PLAYER

Plug in your USB and share your favourite moments with the built-in USB media player.
