ASSEMBLY INSTRUCTIONS

3ft Yuletide Lane LED Penguin with Candy Cane

USE AND CARE GUIDE

PLANNING ASSEMBLY

Carefully remove all the parts from the box and place them on the ground. Many parts are connected by the lighting string that runs throughout the item. Take special care not to pull, cut or damage the lighting string. Read the entire manual prior to assembly and identify all the parts included in the package against the parts list. It is recommended to assemble parts of the product while laying flat on the ground or on a table versus standing the item up to assemble the parts. If any parts are missing or damaged do not attempt assembly but contact our customer service center or return to place of purchase with purchase receipt.

Assembly of this product may require more than one person.

Pre-Operation

CAUTION: Grasp the plug to insert or remove from the power source. Do not unplug by pulling on cord.

CAUTION: The lighting string on this product is rated at 4.8 Watts (0.04 Amps). Do not overload. Do not connect to another lighting string, decorative outfit or other electrical products. Before you use or re-use this product inspect it carefully. Discard or return to place of purchase with purchase receipt if the product has cuts, damage, frayed wire insulation on cords, cracks in the socket enclosures, loose connections, exposed copper wire or other obvious damage.

Care and Cleaning

- Carefully remove the product from wherever it is placed. This helps to avoid any undue strain or stress on the product connections, and wires. If the product is placed somewhere other than the ground it should be well secured, flat and stable.
- Carefully disassemble the unit taking caution not to cut any electrical wires.
- Wipe the unit with a damp cloth and allow the unit to dry before storing.
- Store the product neatly in a cool, dry location protected from sunlight.

Troubleshooting

- Ensure that the floor or surface that the item sits on is flat and level
- Be sure to plug the item correctly to a wall outlet or a UL Listed Power Cord
- Ensure all parts are assembled properly per the Instruction Manual
- If the item does not light check for loose or broken bulbs and connections
- Do not plug into other electrical items
- If the item has multiple Light String Cords be sure to plug in all cords
- Check for Broken or Burned Out Fuse In Plug
