

ONTHEGO™ 2-IN-1 CHARGER

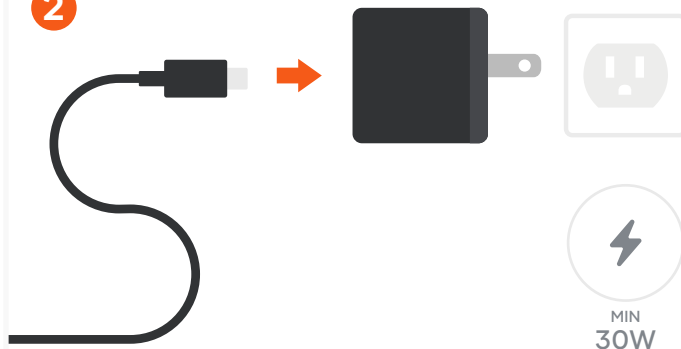

SKU: ST-QTG21K / ST-QTG21W / ST-QTG21R

1

Unfold the OntheGo™ 2-in-1 Charger to access the Qi2 and Apple Watch magnetic wireless charging modules.

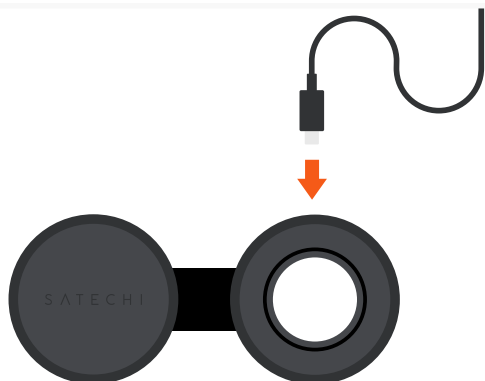

2

Connect the included USB-C charging cable to a power adapter (not included).

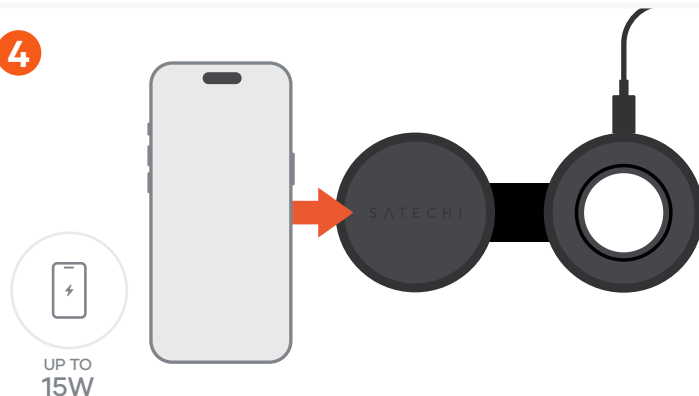

A minimum 30W power adapter is required for optimal performance.

3

Plug the USB-C charging cable into the USB-C port on the rear of the charger.

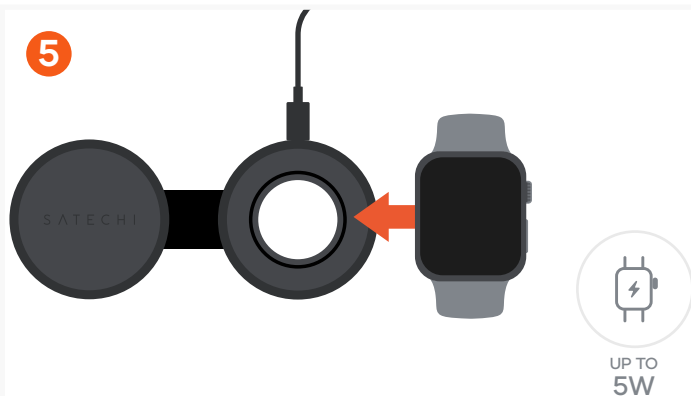

4

Place a compatible phone on the Qi2 charging pad to begin charging.

Supports 15W wireless charging.

5

Place the Apple Watch on the watch module to begin charging.

Provides 5W charging for Apple Watch Ultra and Ultra 2.

Fast charging supported on Apple Watch Series 7, 8, 9, and 10.

6

Flip the watch module up to enable Nightstand Mode.

Only iPhones that support MagSafe charging are compatible with the magnetic mounting feature.

If using a non-MagSafe iPhone, a magnetic attachment or a compatible Qi2/MagSafe case (not included) is required.

A minimum 30W power adapter is required for optimal performance.
