

The [Multi-Color Ninja Rings](#) features **no assembly required** and can be set up in seconds:

Installation Process:

- **Ready to Use** - comes pre-assembled with safety locking carabiners attached
- **60-Second Setup** - just clip the triangle steel carabiner to your swing set, ninja line, or tree branch
- **No Tools Needed** - instant attachment with heavy-duty carabiners featuring safety locks
- **Universal Compatibility** - works with swing sets, monkey bars, trees, slacklines, and other ninja obstacles

Setup Features:

- **Weight Capacity:** Supports up to 300 lbs for kids and adults
- **Durable Construction:** ABS plastic-coated rings with iron carabiners and military-grade polyester ropes
- **Weather-Resistant** - designed for indoor/outdoor use in backyards, parks, gyms, even camping
