

# Use and Care Manual

## Use

- Suitable for outdoor and indoor use; for prolonged outdoor exposure, consider placing under a cover during harsh weather to maintain finish.

## Cleaning

- Wipe with a soft, damp cloth and mild soap; avoid abrasive cleaners to prevent surface damage.

## Protection

- Apply a wood sealant annually to enhance weather resistance and preserve the gray finish.

## Storage

- If storing long-term, keep in a dry, covered area to prevent moisture buildup.

## Avoid

- Do not place directly on wet surfaces or expose to extreme temperatures for extended periods.
