

UGREEN

2 IN 4 OUT USB SHARING SWITCH BOX MANUAL

Model: US216 | P/N: 30767 30768

English

Thank you for purchasing the UGREEN products. For optimum operation, please read this manual carefully before use.

PRODUCT DETAILS PID:30767

- 1. Select Button 2. Input Indicators 3. USB 2.0 Outputs 4. USB 2.0 Input 1 5. USB 2.0 Input 2 6. Micro USB Power Port

-1-

PID:30768

- 1. Select Button 2. Input Indicators 3. USB 3.0 Outputs 4. USB 3.0 Input 1 5. USB 3.0 Input 2 6. Micro USB Power Port

HOW IT WORKS

-2-

- 1. Connect the first computer to the Input 1 port of this Switch and the second computer to the Input 2 port. 2. Connect your USB devices such as keyboard, mouse, flash drive, portable hard drive, or printer to the output ports. 3. Press the Select button to switch between two computers.

- Notes 1. Please power this Switch through Micro USB power port when you connect power hungry devices such as mechanical keyboard, printer or external storage device. (Micro USB cable is not included) 2. Input 1 is default input port. When you first connect the Input 2 port, Input 1 indicator will be on; you need to press the Select button to switch Input 2.

- PACKAGE CONTENTS 1x 2-in 4-out USB Sharing Switch Box 2x USB Cables 1x User Manual

IMPORTANT WEEE INFORMATION

This symbol on the product(s) and / or accompanying documents indicates that, under the new Directive 2012/19/EU on waste electrical and electronic equipment (WEEE), product(s) used electrical and electronic equipment (WEEE) should not be mixed with general household waste. For proper treatment, recovery and recycling, please take this product(s) to designated collection points where it will be accepted free of charge.

Disposing of this product correctly will help save valuable resources and prevent any potential negative effects on human health and the environment, which could otherwise arise from inappropriate waste handling.

Please contact your local authority for further details of your nearest designated collection point.

Penalties may be applicable for incorrect disposal of this waste, in accordance with your national legislation.

For professional users in the European Union If you wish to discard electrical and electronic equipment (EEE), please contact your dealer or supplier for further information.

For disposal in countries outside of the European Union This symbol is only valid in the European Union

WARRANTY INFORMATION

A limited 2-year warranty applies to all UGREEN products purchased from UGREEN official store or authorized sellers. Please feel free to contact us if you run into any problems.
